

Marine Discovery Tours

Celebrate a fun Oregon adventure aboard the DISCOVERY, a deluxe 65-foot excursion boat with inside seating for 49 and two level viewing.

Located in Newport, Oregon, we are the coastal leader in narrated bay and ocean tours specializing in whales, oyster farming and sea and shore wildlife. Featuring easy step on boarding and wheelchair ramp. Enjoy great customer service, friendly naturalist guides and an invitation to children of all ages to help drive the boat!

With a safe harbor, large estuary and historic Bayfront, Newport, Oregon is a magnet for marine education and nature-based tourism, as well as a popular gateway to the Pacific Ocean. Marine Discovery Tours, the Oregon Coast Aquarium (former home of Keiko, the orca from the movie "Free Willy"), the Hatfield Marine Science Center, and Yaquina Head Outstanding Natural Area make Newport a "must see" for any vacation or school field trip.

Marine Discovery Tours offers narrated ocean and bay cruises with naturalist guides from our docks along the Historic Bayfront District in Newport Oregon. Marine Discovery Tours offers the finest accommodations on the Oregon Coast for viewing whales and other sea life. Our boat DISCOVERY is equipped with the latest audio-visual aids including big screen television for viewing microscopic marine life, satellite locator maps and nature videos. Inside and outside seating insure comfort no matter what the weather.

Marine Discovery Tours schedules daily cruises (as always, subject to weather and sea conditions), marine education field trips for school groups from K-12, group tours and private charters.

The DISCOVERY is operated by licensed, experienced captains and meets the latest United States Coast Guard regulations.
