

Horse Back and Hike in Fishing and Hunting Trips

Leavenworth, WA

Take a western style adventure that you and your whole family will never forget. Come with us to a place where there are no time-clocks to punch, no rush hour traffic, no ringing telephone...and the boss can't find you! We are talking about a high-country trip into the serene meadows and valleys, deep blue skies and majestic peaks of the Cascade Mountains, near the Bavarian Village of Leavenworth, Washington.

We offer guided summer trail rides, pack trips, high lake fishing, hiking trips, fall hunting trips and winter sleigh rides. Also offered are drop camp services, full-service deluxe camps, or trail rides by the day or by the hour. We have gentle, trail-wise horses, just waiting to carry you away from it all. Let us show you the high alpine country from horseback. There's no better way to go!

You need no special equipment or skills -- just a warm sleeping bag and your personal gear. Our horses and wranglers will take care of the rest. Spend your time getting acquainted with your horse, exploring breath-taking scenery, photographing nature's wonders, and fishing crystal clear streams. So, get to know your family again with a "Get Away From It All" trip with Icicle Outfitters & Guides, Inc.

We offer pack trips and day rides in the Leavenworth, Lake Wenatchee, and Entiat Ranger Districts. Some of our trips will enter into the unspoiled country of the Alpine Lakes, Glacier Peak and Henry M. Jackson Wilderness Areas in the Wenatchee and the Mt. Baker/Snoqualmie National Forests.

We have a pack station in the Entiat Valley as well as two trail ride stables. One stable is located at Lake Wenatchee State Park and the other is 2.5 miles from the town of Leavenworth, in the Icicle Valley.

Our winter sleigh rides are also located in the Icicle Valley. During the winter months, the Leavenworth area becomes a winter wonderland with many activities available.

The high-mountain lakes and streams offer fishing that will appeal to the novice as well as the experienced angler. The fishing is surpassed only by the beauty of the country itself.

Our hunting trips offer mule deer, elk and black bear. **For more information call 503-720-9033**

Our wranglers are environmentally-minded, experienced horsemen, packers, and backwoodsmen. In our camps, you will enjoy hearty, home-style meals. Our cooks are experienced in back-country cooking. We serve "real" food! You'll find no prepackaged "back-packer's meals" in our camps! We can accommodate most special diets.
